

# Certa Regulated Qualifications

Certa is a national Awarding Organisation, Access Validating Agency, and Accreditation Services provider. We are here to provide a high quality, responsive and accessible accreditation service that recognises achievement, particularly for those who have benefitted least from their previous educational experiences and to provide a quality accreditation service for learners, businesses and communities.

We have a comprehensive qualification and unit offer for all training providers; covering a wide range of learners, skill areas and sectors:

- Health, Public Services and Care
- Science and Mathematics
- Agricultural, Horticultural and Animal Care
- Engineering and Manufacturing Technologies
- Construction, Planning and the Built Environment
- Information and Communication Technology
- Retail and Commercial Enterprise
- Leisure, Travel and Tourism
- Arts, Media and Publishing
- Social Sciences
- Languages, Literature and Culture
- Education and Training
- Preparation for Life and Work
- Business, Administration and Law.

## Level 2 Diplomas

Our range of Level 2 Diplomas are ideal for learners who wish to progress to further learning at Level 3 and then into higher education.

They are primarily designed for learners who wish to pursue a vocational career but who are not yet ready to study at Level 3. This may be because of gaps in their skills or knowledge, perhaps because their schooling was interrupted or disrupted.

# Certa Regulated Qualifications

## Foundation Learning

Foundation Learning Programmes need to equip learners with the necessary skills, knowledge and understanding to allow them to progress from their starting point to their planned progression route.

We offer over 170 qualifications available at Level 1 or below covering a wide range of personal, social and vocational skills, ideal for designing and developing an individual programme for each learner to achieve their desired outcomes. The depth and breadth of our portfolio allows for both vertical progression to Level 2 destinations as well as horizontal progression.

## Short Courses

We also offer a wide range of short qualifications, units and accredited training services to support a varied and bespoke curriculum offer for 16-19 learners.

Covering a wide range of vocational, personal learning and thinking skills we believe that the integration of wider learning aims provide greater insights to different vocational career options as well as building the required skills that employers look for in young employees.

## Contact Us

If you have any queries about these qualifications our Business Development and Customer Relations team are happy to help. Please email us at [enquiries@certa.org.uk](mailto:enquiries@certa.org.uk) or give us a call on 01924 434600.
