

Access to HE Diploma

Computing

Certa is a national awarding organisation and a QAA-licensed Access Validating Agency. We have worked in collaboration with curriculum specialists in Further and Higher Education to develop a Regional Access to HE Diploma in Computing.

Access to HE Diplomas are designed to provide a route into Higher Education for adults with a commitment to studying, and who have the ability to benefit from Higher Education, but have not previously been in a position to do so.

Organisations who wish to deliver this Diploma for the first time will be supported through the process by our Access to HE Team.

If your organisation would be interested in delivering this Diploma or would like to discuss any aspect of Access to HE please contact our Access to HE Team.

Progression Routes:

- Computing
- Computer Science
- Software Engineering Business and IT
- Computer Science
- Computer Security Networks and Forensics
- Web Development
- Games Development

Subject Areas:
