Science

Certa is a national awarding organisation and a QAA-licensed Access Validating Agency. We have worked in collaboration with curriculum specialists in Further and Higher Education to develop a Regional Access to HE Diploma in Science.

Access to HE Diplomas are designed to provide a route into Higher Education for adults with a commitment to studying, and who have the ability to benefit from Higher Education, but have not previously been in a position to do so.

Organisations who wish to deliver this Diploma for the first time will be supported through the process by our Access to HE Team.
